Late/Incomplete/Missing Work

- * My expectation is that **ALL** assignments be completed to the best of each student's ability and turned in on time.
- * Late/incomplete/missing work will be recorded on **ALMA**. Students are responsible for tracking late/incomplete/missing work information using the **ALMA** system.
- * Late/incomplete/missing work will receive an automatic 10% (per day) grade reduction. Late/incomplete/missing work will not be accepted beyond one week following the original due date.
- * Printer and Internet issues are not an acceptable excuse for late/incomplete/missing work.

Absentee Policy

- **YES, WE DID SOMETHING IMPORTANT WHILE YOU WERE ABSENT.** It is the student's responsibility to gather any assignments/information missed and complete the missed work.
- * A student has **two** extra days to turn in any work assigned on a day a student was absent. If a **quiz/test** was administered on a day a student was absent, the **quiz/test** must be made up on the **first** day the student returns.
- * **If previously assigned work was due on the day of the absence, the work is due on the first day the student returns.**

Technology in Science

Macbooks/Chromebooks may be used often in Science. Some of our class assignments, projects, and homework will be completed digitally/online through Google Drive. Students are expected to abide by all school digital safety rules and guidelines. Failure to do so will result in said student being banned from technology while in Science.

Cell phones and **iPods** must be left in student's locker during school hours. We are not responsible for lost or stolen items.

Weekly Assignments

Science does not have assigned weekly work. At times homework will be assigned, but it will not be daily. In science, if classwork is not completed during regular school hours, it will become homework.

Assignments/projects/quizzes/tests/labs will be given as the year progresses.

Help is Available!!!

If a student is having trouble they should speak with Mrs. Burns as soon as possible. Mrs. Burns will work with the student to schedule time for extra help.

Extra help is available before and after school, but parent-teacher contact is necessary to make arrangements for drop off and pick up.

I, _____, have read and understand the rules and expectations for English Language Arts. I acknowledge that it is my responsibility to contact my teacher if I have any questions or concerns. I know that grades, assignments and missing work are available to me on **ALMA** at any time. I know that assignments can be submitted digitally at any time and that printer/computer/Internet issues are not an excuse for late work. I understand that if I need help with my school work I need only to ask Mrs. Burns.
