Late/Incomplete/Missing Work

- * My expectation is that **ALL** assignments be completed to the best of each student's ability and turned in on time. If an assignment is turned in, but "best work" is not demonstrated, the assignment will be returned to the student and the work must be completed / redone until "best work" is achieved.
- * Late/incomplete/missing work will be recorded on **ASCEND**. Students are responsible for tracking late/incomplete/missing work information using the **ASCEND** system. Do not ask me "What am I missing?" or "What is my grade?" Look it up yourself.
- * Internet issues are not an acceptable excuse for late/incomplete/missing work unless a Remind chat or email was sent to Ms. Carroll by a parent or guardian.

Absentee Work Policy

- * **YES, WE DID SOMETHING IMPORTANT WHILE YOU WERE ABSENT.**
- * It is the student's responsibility to gather any assignments/information missed and complete the missed work.
- * A student has two extra days to turn in any work **assigned** on a day a student was absent. If a **quiz/test was administered** on a day a student was **absent**, the quiz must be **made up** on the **first day** the student **returns**.
- * If previously assigned **work** was **due** on the **day of the absence**, the work is **due** on the **first day** the student **returns**.

Technology in Math

Chromebooks/Computers will be used periodically in Math. Students are expected to abide by all school digital safety rules and guidelines in all classes. Failure to do so will result in said student being banned from technology while in Ancient Worlds.

Cell phones and **iPods** must be left in student's locker during school hours. We are not responsible for lost or stolen items.

Additional Math Information

All students will have access to the online textbook to use at home and to complete online Practice Buddies, review lesson videos, and take practice tests, etc. Additionally MobyMax minutes will be assigned for individually leveled practice. Students will have math homework most days. Students will be given plenty of time in class to completed classwork but if work-time is wasted classwork also becomes homework.

Thank you,
Ms. Carroll

I, _____, have read and understand the rules and expectations for math.
(student's name)

I acknowledge that it is my responsibility to contact my teacher if I have any questions or concerns. I know that grades, assignments and missing work are available to me on **ASCEND** at any time. I know that printer/computer/Internet issues are not an excuse for late work. I understand that if I need help with my school work I need only to ask Ms. Carroll.
