Late/Incomplete/Missing Work

- * My expectation is that **ALL** assignments be completed to the best of each student's ability and turned in on time.
- * Late/incomplete/missing work will be recorded on **ALMA**. Students are responsible for tracking late/incomplete/missing work information using the **ALMA** system. Do not ask me "What am I missing?" or "What is my grade?" Look it up.
- * Late/incomplete/missing work will receive an automatic 10% grade reduction. Late/incomplete/missing work will not be accepted beyond one week following the original due date.
- * Printer and Internet issues are not an acceptable excuse for late/incomplete/missing work.

Absentee Work Policy

- * **YES, WE DID SOMETHING IMPORTANT WHILE YOU WERE ABSENT.**
- * It is the student's responsibility to gather any assignments/information missed and complete the missed work.
- * A student has two extra days to turn in any work **assigned** on a day a student was absent. If a **quiz/test was administered** on a day a student was **absent**, the quiz must be **made up** on the **first day** the student **returns**.
- * If previously assigned **work** was **due** on the **day of the absence**, the work is **due** on the **first day** the student **returns**.

Technology in History

Chromebooks/Computers will be used periodically in History. Students are expected to abide by all school digital safety rules and guidelines in all classes. Failure to do so will result in said student being banned from technology while in class.

Cell phones and **iPods** must be left in student's locker during school hours. We are not responsible for lost or stolen items.

Additional History Information

Map and geography skills, and a knowledge of "where in the world," places are located, are equally important parts of social studies. Daily Geography Practice will be a daily bellringer assignment, Passport will be a monthly locations test and Geography Challenges will introduce each unit of study. Together these three will account for 25% of student's overall grade. Students will practice writing summaries and taking notes. Assignments not finished in class will become homework and will check out a textbook if needed. Additional assignments/projects/quizzes/tests will be given as the year progresses.

Help is Available!

- If a student is having trouble they should speak with the me as soon as possible. Please encourage your student to advocate for themselves. This is a learned skill.
- I will work with the student to schedule time for extra help.
- Extra help is available before school and at lunch daily, and after school when arranged ahead of time.

I, _____, have read and understand the rules and expectations for history.
