

St. Mary School SCRIP Gift Card Program

What is it?

SCRIP is our school's year-round gift card fundraiser. Families use SCRIP gift cards from our supply or online eCards to pay at the store instead of/in addition to cash/check/debit or credit cards. **Every family is required to participate by exchanging cash or checks for a minimum of \$1500.00 in SCRIP gift cards throughout the school year (see your school contract).** Normal grocery, gas, dining, clothing and household purchasing will accomplish the minimum yearly level quickly and easily. SCRIP cards are called gift cards, but they aren't just for gifting. They are for everyday shopping!

What's the catch? Am I paying extra for SCRIP gift cards?

There truly is no "catch". You are not paying any more than face value for the cards. The cards do not expire. Have you noticed kiosks filled with gift cards for sale at many of the stores in which you shop? Our program is just like that only **BETTER** because our cards earn money for St. Mary School. When purchased, a certain percentage of each SCRIP card's value comes back to St. Mary School.

When and where are SCRIP gift cards available for purchase?

SCRIP is available every school day in the school office and at many school events. SCRIP is also available for purchase online. Both eCards and physical cards can be purchased online. Please see the attached page for information on how to sign up for online SCRIP purchasing.

Should I stop buying gift cards when I meet the required \$1500.00 yearly minimum?

Please do not stop just because you have fulfilled the requirement! In fact, we do not reach our fundraising goal if you only purchase the minimum required. The ultimate goal is for families to go beyond the minimum. The funds generated by the SCRIP program have a direct impact on our school's operating budget and **for every \$100 in SCRIP purchased over the required \$1500 you earn one volunteer hour!**
